> 2. These are the petitions of quashing of FIRs.
>
> 3. During the course of submissions, it transpired that in fact this was the dispute between the two school going children and the allegations made in the cross FIR were against the mothers of each other.

However, the allegations made in the FIR are very strange and seems to be creation of futile mind.

4. Learned APP for the State submits that in such cases, quashing of FIR simply would give a wrong message as it is a mockery of process of the Court.

5. Let both the mothers i.e. Pranu Deepa @ Sona and Namita Singh appear in person along with the copies of certificates of their educational qualifications.

6. IO is also directed to appear in person on the next date of hearing.
